

Books as Gifts

The 2008 Holiday Buying Guide from Reading Rockets for children 4–5 years old

Good books last. They are truly the gift that is remembered long after the holiday or celebration is over. In fact, a book that connects with a young reader will grow with them as it is shared countless times. These books were chosen with just one criterion in mind — good literature that's so engaging that your child, grandchild, niece, nephew, or student will gladly turn off the TV and put away the Gameboy. Give books as gifts and watch kids read.
