

# Summer Reading 2013

Audio books for kids 3-9 years old

## ***Frog & Toad***

written and read by **Arnold Lobel**

The four easy readers, modern classics, are effectively read by their author and sprinkled with music and sound effects.

## ***Hooray for Anna Hibiscus***

written by **Atinuke**, read by **Mutiyat Ade-Salu**

Anna Hibiscus and her life in contemporary Africa come to life occasionally using authentic-sounding accents to create a strong sense of place.

## ***Julie Andrews' Treasury for All Seasons: Poems and Songs to Celebrate the Year***

edited and ready by **Julie Andrews** and **Emma Walton Hamilton**

There's something for every member of the family in this carefully selected and expertly performed poetry by a well-known mother-daughter team.

## ***Stallion by Starlight***

written and read by **Mary Pope Osborne**

Siblings Jack and Annie time travel to ancient Greece to help Alexander the Great, successfully read by the book's author.

## ***Superfudge***

written and read by **Judy Blume**

Peter, his little brother dubbed Fudge, and their family come to life again when read by the author.
