

Shopping for Letters

Comprando letras

Can you spy these fruits and vegetables at the grocery store? As you find each one, encourage your child to call out its name. Now explore letters and words by asking such questions as, "What letter does pepper start with?" Now look for other items in the store that begin with this letter and draw them in the empty squares. You'll be building literacy with each new discovery.

¿Puedes encontrar estas frutas y vegetales en el supermercado? Al ir las encontrando, anime a su niño a decir sus nombres. Exploren letras y sonidos utilizando preguntas como: ¿Con que letra empieza "pepper"? Después busquen otros productos que empiecen con la misma letra y dibújenlos en los espacios vacíos. Estarán fomentando el vocabulario con cada nuevo descubrimiento.
